**FOLD**

**Introducing BOCS.**  
The Next Generation in Entertainment Control

Invested some \$\$ in a home entertainment center?  
Got a DVR, maybe a DVD jukebox, AppleTV, or perhaps a windows media center?

Ever wish you could watch and control ALL your stuff from any TV in the home instead of just in the den?

BOCS lets you plug in three devices and its just like you have those things at EVERY TV.

Pause in one room, finish watching in another - effectively duplicate your entire entertainment investment!
